We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone Ind AS financial statements.

3. Emphasis of Matter

We draw your attention to: -

- (i) Note no. 3.3 and 23.i.d of the standalone Ind AS financial statements regarding the withheld amount of Rs. 318.35 million consisting of liquidated damages of Rs.282.96 million and TDS on GST from Air India Ltd. (AIL) of Rs.35.39 million

against the recoverable amount of Rs. 2,657.43 from Defense Research & Development Organisation (DRDO). The same has not been accounted for as a firm liability as the company has taken up the matter of liquidated damages with DRDO, AIL and AI Engineering Services Limited (AIESL) for deletion/waiver as aircraft was delivered within the extended date of delivery.

- (ii) Note no. 3.4 of the standalone Ind AS financial statements where Rs.3,000 million was withheld by the then AIL towards the maintenance of 6 aircrafts against which the company had received details of expenditure of Rs.2,564.77 million, which is adjusted against the amount withheld by AIL, with unadjusted amount of Rs. 435.23 million in absence of confirmation from AIL.
- (iii) Note no. 3.5 of the standalone Ind AS financial statement regarding balance confirmation from Air India Ltd. (AIL), against the recoverable of Rs. 1675.88 million as on 31.03.2026 (Previous Year Rs. 2820.51 million), AIL has indicated Rs. 1143.80 million as amount receivable from AIAHL by AIL (Previous Year Rs. 94.19 million, claimed as payable to AIAHL).
- (iv) Note no. 3.6 of the standalone Ind AS financial statement where AIL remitted ₹ 1,370.25 million to the company on 21st July 2025. AI received these IATA Garnishment funds in May 2023 totaling to ₹ 1,370.25 million including the excess amount of ₹ 47.32 million pertaining to forex fluctuation gain which has been recognized as income in the books of the company in FY 2025-26.
- (v) Note no. 9 and 9.1.a of the standalone Ind AS financial statement regarding assets received from the then AIL classified as "Assets included in disposal group held for sale". The movable assets have been book transferred from the then AIL to AIAHL without any physical hand-over takeover. The Company engaged an external agency for physical verification, identification, and tagging of these assets based on the asset tagging list as of 31st January, 2022. The agency submitted its final report on 29 April 2026 which resulted in major differences in asset count. The report identified multiple unmapped assets which are primarily located in Mumbai & Delhi and are in the possession, custody, and use of subsidiary companies. Since, AIAHL has initiated the process of transferring movable assets to respective subsidiaries for operational use or monetization of the remaining assets, no provision or write off of such movable assets has been done in the books of account as of 31.03.2026.
- (vi) Note no. 9.2.d of the standalone Ind AS financial statement where a Letter of Intent (LOI) has been issued for demolition of buildings consisting of 810 nos. flats on 30 acres of land along with disposal of serviceable/unserviceable materials including clearing of all debris, clearing and levelling off the ground at AI Housing Colony, Vasant Vihar, New Delhi. The company has received Rs.20.00 million (Total Contract Value Rs.58.91 million) against the said LOI as advance. As per the opinion from an independent expert, the transaction is in the nature of supply of services however, GST was deposited by the company on such advance amount in July, 2026.
- (vii) Note no. 9.2.j of the standalone Ind AS financial statement regarding Krupanidhi Society building, Ballard estate, Mumbai where Mumbai Port Authority is issuing demand notices towards monthly charges since expiry of lease period in which AIAHL share is Rs.0.20 million per month plus applicable taxes. The company has created provision towards said liability amounting to Rs. 2.14 million without deduction of TDS.

- (viii) Note no. 9.2.n of the standalone Ind AS financial statement regarding transfer/ surrender of Nariman Point Building Plot no.235, Fort Division, Mumbai, after close of the year on 2nd June, 2026 in favour of the Secretary, Govt. of Maharashtra (GoM) at a net transfer price of Rs. 16,010.00 million, received by company on 1st June 2026 and accounted in FY 2026-27. Sale Deed and Title transfer Document for the same has been executed on 2nd June 2026. As the transfer of the property has been affected directly from AI/ AIAHL to GoM and the GoM has waived off the applicability of Stamp duty on first transfer of this property from erstwhile Air India Ltd. to AIAHL, the provision for the stamp duty for first transfer as made earlier in AIAHL's books of accounts of Rs. 960.63 million on account of this transaction, being no more payable, has now been reversed in FY 2025-26.
- (ix) Note no. 9.2.o of the standalone Ind AS financial statement regarding Residential Complex, CTE Hyderabad, Land Area 16 Acre where the OSC in its 16th Meeting Dated 23 April 2026 OSC has approved the reserve price of property to Rs.291 crore. AIAHL will take further necessary action for monetization of property jointly with Air India to save the stamp duty and registration charges required for transfer of property from Air India to AIAHL. Accordingly, the provision for the stamp duty for first transfer as made earlier in AIAHL's books of accounts of Rs. 160.00 million on account of this transaction, being no more payable, has now been reversed in FY 2025-26.
- (x) Note no. 9.2.p of the standalone Ind AS financial statement regarding monetization of two immovable properties at foreign locations where, in case of Nairobi Property the sale has been executed at a agreed price of Kshs 161 million and Air India Ltd. has also received the same during the year however, the sale agreement/deed is pending execution. 4. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the standalone Ind AS financial statements as a whole, and in forming our opinion thereon, we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

S. No.	Key Audit Matters	How Our Audit addressed the key audit matters
1	Transactions relating to disinvestment of Air India Limited <i>(refer note no. 3A to the standalone Ind AS financial statements)</i> We consider this matter to be of most significance in our audit due to the materiality of the balances in the standalone Ind AS financial statements: -	
	In terms of decision of Government of India for financial assistance to the then AIL for the disinvestment, the company had transferred Rs.8,31,949.58 million during the year 2021-22 (excluding Grant of Rs.1,46,296.70 million), against this assets/liabilities/monetization proceeds for Rs.1,51,843.69 million were transferred by the then AIL till 31st March 2026 which represents the difference in the Net value of assets/liabilities/monetization arising from the Net funds transferred upto 31.3.2026 starting from the funds transferred upon AI disinvestment in FY 2021-22 of Rs.8,31,949.58 million and Rs.6,80,105.89 million Funds transferred to AIL over and above the assets/liabilities received. The company has accounted for the funds transferred to the then AIL over and above the assets/liabilities amounting to Rs.6,80,105.89 million as separate line item under "Equity & Liabilities" as on 31st March 2026. Further, AIL has not provided the details of above balance amount and detail of current assets equal to current liabilities retained by AIL in their books.	We have relied on the records relating to approvals by the Government of India through the various letters referred in the notes and restated framework agreement for the disinvestment of the then AIL and its subsidiaries. These assets and liabilities of the then AIL transferred to the company shall be monetized for the utilization of repayment of debts paid by the company to the then AIL. Further, it was also explained to us that the purpose for which the company was created as SPV is for the said matter, hence we have relied on the same. Further the current assets equal to current liabilities retained by the AIL for which details were not provided, however, we have relied on the self-certified documents provided by AIL. We have relied on the information/documents provided by the management as received from AIL. We have not been provided with any Utilization certificate of funds utilized by AIL during previous years for the purpose these were intended to by either statutory auditors of AIL or from any independent agency.
2.	Utilization of Grants <i>(refer Note 4.2 to the standalone Ind AS financial statements)</i> We consider this matter to be of most significance in our audit due to the materiality of the balances in the Standalone Ind AS financial statements -	

	a. Grant in aid received from Govt. of India of Rs.7,800.00 million towards servicing of interest for the two NCDs series of Rs.1,49,850 million issued by the company.	Our procedures of utilization of Government Grants include obtaining and understanding of the process involving the utilization of the Government Grants. Note no. 1.A of the notes to standalone Ind AS financial statements of the company describe the purpose of formation of the company as "SPV" for transfer of identified debts of AIL to "SPV" duly approved by the Government of India and Board of Directors of both the companies. The grant received from Government is being accounted as "other income" to the extent of the equivalent amount expensed off during the year. The company has received Rs.7,800.00 million as Budgetary support / grant from the Government during the year which is fully utilized hence, accounted as "other income". We reviewed the relevant sanction letters embodying the purpose and utilization thereof of such grants in terms of rules framed under GFR.
	b. Grant in aid received from Government of India of Rs.1,250 million for medical expenses and utilized for the purpose for which it is received.	Our procedures of utilization of Government Grants include obtaining and understanding of the process involving the utilization of the Government Grants. In line of the medical scheme for retired and retiring employees of the then AIL, Government of India released grant of Rs. 1,250 million to be utilized for the purpose of medical expenses of such retired and retiring employees. We reviewed the relevant sanction letters embodying the purpose and utilization thereof of such grants in terms of rules made under GFR.
	c. Grant in aid received from Government of India in previous years for tax indemnification matters of AIL and utilized in the current year for the purpose for which it is received.	Our procedures of utilization of Government Grants include obtaining and understanding of the process involving the utilization of the Government Grants. We reviewed the relevant sanction letters embodying the purpose and

		utilization thereof of such grants in terms of rules made under GFR.
3.	We consider this matter to be of most significance in our audit due to the materiality of the non-availability of Tripartite Share Purchase Agreement (SPA) -	
	<i>Sub para 3 of para 3 "Undertaking" of Restated Framework Agreement dated 05.01.2022 executed between AIL and the Company stipulates that "notwithstanding anything to the contrary contained in this agreement, in case of any inconsistency between the provision of this agreement (or any agreement executed pursuant to this agreement) and the provisions of the SPA, the provisions in the SPA shall override and prevail over such inconsistent provisions as contained in this agreement) or any agreements executed pursuant to this agreement)</i>	Copy of SPA has not been provided to us, hence we have relied on the restated framework agreement signed between the company and the then AIL for all the transactions made between AIL and the Company.

7. Auditor's Responsibilities for the Audit of the standalone Ind AS financial statements

Our objectives are to obtain reasonable assurance about whether the standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing (SA's) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern; and
- Evaluate the overall presentation, structure and content of the standalone Ind AS financial statements, including the disclosures, and whether the standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone Ind AS financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone Ind AS financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone Ind AS financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Internal Financial Controls Over Financial Reporting**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of AI Assets Holding Limited ("the Company") as of 31st March, 2026 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

1. Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

2. Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence (except in the case of delegation of financial power which are under process of strengthening) we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

3. Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone Ind AS financial statements for external purposes in accordance with generally accepted accounting principles including the Indian Accounting Standards (Ind AS). A company's internal financial control over financial reporting includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone Ind AS financial statements.

4. Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

5. Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting with reference to standalone Ind AS financial statements and such internal financial controls over financial reporting with reference to standalone Ind AS financial statements were operating effectively as at 31st March, 2026, based on the internal control over financial reporting criteria with respect to standalone Ind AS financial statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India, except as follows:

- The company does not have documented policies and procedures in place for certain processes and documentation.
- The company does not have a formalized Delegation of Authority Matrix for certain transactions.
- Testing of Internal Financial Controls over Financial Reporting has not been carried out by any independent external expert after the financial year 2021-22.

- The Company has not established the risk assessment process to identify risks of material misstatement in financial reporting. Furthermore, the Company lacks formal internal control frameworks, standards, and mitigation protocols to address, monitor or manage operational and financial reporting risks and safeguarding of company's physical assets including the assets held for sale.
